

On behalf of The City of Cambridge, Habitat for Humanity Choptank is soliciting bids for the interior demolition of single-family homes and remediation of lead-based paint hazards. Work scope may include removing plumbing fixtures, floors and other interior demolition. This work is being financed, in whole or in part, through deferred loans and/or grants as provided by the Department of Housing and Community Development grant to the City of Cambridge. Bids will be solicited by advertisement and by invitation from a list of contractors obtained from the State of Maryland Women and Minority owned business listings. All contractors who wish to bid must attend the pre-bid construction meeting on June 14, 2023 at 10:00am. Pre-bid construction meeting information and Bid documents will be available online at <https://habitatchoptank.org/about-us/how-we-build/contracts-and-bid-proposals/> from Habitat Choptank Office, 29349 Maple Ave, Trappe, MD 21673.

Bids received from contractors barred from participation in federally assisted projects will be rejected. All bids must be prepared and submitted in accordance with the instructions to bidders. A statement of contractor's qualifications, and a signed conflict of interest assurance available in the bid packet, will also be required prior to any award of the contract. Accepted bids are not a guarantee of contract award.

Interested parties are to mail or hand-carry their sealed bid to:
